THERAPY OFFICE DESIGN

✨ *Because your office should feel as welcoming as you are* ✨

Your therapy office sets the tone before you say a word. I design comfortable, thoughtfully curated therapy spaces that help clients feel safe, welcomed, and at ease while creating a space that feels professional, personal, and uniquely yours.

SERVICES

- **Office Design & Refreshes**
- **Furniture & Décor Selection**
- **Color & Styling**
- **Space Planning:** Layouts designed with comfort, conversation, and everyday functionality in mind.
- **Finishing Touches:** Artwork, lighting, rugs, window treatments, and accessories that make the space feel complete.
